

(e) Diverted from a pool plant to a nonpool plant (other than a producer-handler plant) for the account of the handler operating such pool plant or for the account of a handler described in § 1033.9(b), subject to the following conditions:

(1) During each of the months of September through November not less than one day's production of the producer must be physically received at a pool plant;

(2) The operator of a pool plant may divert the milk of any producer that is not under the control of a cooperative association that diverts milk during the month pursuant to paragraph (e)(3) of this section. The operator of such plant may divert a total quantity of milk not exceeding 50 percent during the months of September through November, January and February, and 60 percent during the month of December, of the producer milk physically received at or diverted from such pool plant during the month;

(3) A cooperative association may divert an aggregate quantity of milk not exceeding 50 percent during the months of September through November, January and February, and 60 percent during the month of December, of the producer milk that the cooperative association caused to be physically received at or diverted from pool plants during the month; and

(4) Any milk diverted in excess of the limit set forth in paragraph (e)(2) or (3) of this section shall not be producer milk. The diverting handler shall designate the dairy farmer deliveries that shall not be producer milk. If the handler fails to designate the dairy farmer deliveries which are ineligible, producer milk status shall be forfeited with respect to all milk diverted to nonpool plants by such handler; and

(f) Milk diverted pursuant to paragraph (d) or (e) of this section shall be priced at the location of the plant where it is received, except that for the months of March through August the uniform price applicable to milk of producers located within the State of Ohio or the Michigan counties of Hillsdale, Lenawee, Monroe, Jackson and Washtenaw that is diverted to a plant located outside the marketing area and outside the State of Ohio shall not be

adjusted downward below the uniform price for the month applicable at the location of the producer's farm, *Provided*, that 65 percent or more of such producer's milk is delivered to a plant or plants at which the same or a higher uniform price is applicable during the preceding months of September through February.
